Our Speaker: Steve Rushbrook—Otago Harbour Master
 The Otago Harbour Master has control of all that happens in the Dunedin Harbour and beyond to the major waterways through Otago. He ensures maritime safety along Otago’s coast and harbours, overseeing commercial vessels like cargo ships, cruise liners, and fishing boats. Also maritime rescues and all safety. Very little is known of the duties of Harbour Masters, so Mr Rushbrook’s talk will inform us of the necessary part he plays in keeping our coasts. This will be a very interesting and informative talk on an aspect of Otago we probably know little about. You are most welcome to come along to enlarge your knowledge.
Please note: Our April meeting is cancelled as it coincides with Easter. Contact Anne Benington 03 4859447 or c/phone 027 4148942.

**B+LNZ Wormwise Workshop:
 How to avoid worms this Autumn**

Monday 31 March, 10.15–2.30pm
Lawrence Golf Club, Lawrence

Livestock typically face their biggest worm challenges in autumn. With increasingly widespread drench resistance, it is important to consider other tools and management strategies to help minimise the impact of worms on your farm business. In this workshop we look at the impact worms have on livestock production and ways to mitigate them.
